

Comparing and Contrasting Polar and Temperate Seasons Visually

Franklin, USA is located in a temperate deciduous forest.

The following images were taken at noon in the middle of each season. Cut and paste the images in order from winter, spring, summer and fall.

Paulatuk, Northwest Territories CA is located above the Arctic Circle on the Arctic Ocean and has only tundra around the town.

<p data-bbox="285 453 477 644">Winter the sun is coming back up.</p>	<p data-bbox="574 453 766 644">Spring, the snow makes it very bright.</p>	<p data-bbox="883 401 1075 680">Summer, the tundra turns green and the ice leaves the Arctic Ocean.</p>	<p data-bbox="1219 422 1411 667">Fall, the tundra turns golden and the ocean cools.</p>
